TUITION PAYMENTS

CHAPTERS 30, 32, 1606, 1607, 35 The student is responsible for paying tuition and fees by payment deadline. Kennesaw State does not have an agreement with the VA to process tuition/fee waivers; therefore, failure of the VA to pay students in a timely manner does not eliminate or delay a student's financial responsibility to Kennesaw State University.

Post 9/11 Veterans receiving Post 9/11 benefits must have a Certificate of Eligibility on file in our office. Failure to provide the certificate will result in a delay of the certification of enrollment. Also, if the certificate is not on file, the veteran must pay full tuition and fees by the payment deadline. Those who have a certificate on file, receive 100% of the benefit, and have an in-state status will have their tuition deferred. Any veteran with an out-of-state status or receiving less than 100% of the Post 9/11 benefit will be responsible for any money owed and must pay by the payment deadline.

NOTE: The VA **will not** cover any costs associated with mandatory housing or meal plans.

I understand that I am responsible for confirming that all payments due the university are paid. I am also responsible to reimburse the VA for any overpayment made by the VA.
